Regarding the letter sent to me 3/4/98 about
the Telecommunication facility - a 143 ft
monopole and equipment shelter ^{to be} erected in
Riddleview Park, Newport, Ky, I have some
reservations. I would like the assurance that
there would not be interference with phone
services - cellular and other phones, cable
reception, radios and other electronic devices.

With the Teleport at St. Luke Hospital and
Lunken Airport at close proximity could that
cause any problem with the monopole, regarding
police and fire calls?

With children playing so close to the facility -
I hope it couldn't be "an attractive nuisance".

A devaluation of property values would be
unfortunate. I feel in all honesty, I should
let my opinions be known. Thanks for
reading this. I trust in your
good judgment.
